The **Select** option is available when a follow up form can be opened.

Choose **Select** to open the form.

	Follow up	Due date	Follow up status	Date entered	Date last updated	Editable?	Quick Actions
Select	Baseline ⁺	01/07/2019	Completed	16/07/2019	16/07/2019	Edit window not open	Verified Queried Missed Raise Queries
Select	1 ⁺	01/01/2020			16/07/2019	Can be opened	Verified Queried Missed Raise Queries

database.bsrbr.org says

You are about to open the edit window for Follow up 1 due around 01 January 2020

This action can not be undone and will lead to data verification (and queries) when the edit window closes. Please ensure you have the relevant data for this follow up.

Do you want to open the edit window?

A notification box will appear asking for confirmation that the form is to be opened.

Select OK to continue

The form will open to **Biologic Targeted Therapy**.

Once a follow up is open you will have 14 days to enter data before the edit window is closed.
